There are no practices and games over the Thanksgiving, Christmas, and New Year's holidays.

Summer Camps

We also offer youth sport camps in the summer such as basketball and soccer as well as other camps.

Youth Sports – You can help!

The Florence Family YMCA youth sports program involves the following concepts: total participation, playing to have fun, learning the importance of teamwork, fair play, and family participation as well as learning the fundamentals of a sport. Volunteer coaches and parents are integral parts of this program. Sponsors are needed as well to help defray some of the cost of our youth sports programs. A business can sponsor one team at the cost of \$200 or multiple teams for \$150 each. In return, your company's name will be printed on the jerseys and a plaque will be engraved for display at your business. You will also receive the satisfaction of knowing that your business helped children in your community.

Listed above are **general/tentative** fees and times for registration, practice, and game days for the respective sports. These are subject to change based on space and time availability and program size or other need. Check during a sport's current season for more detailed information. Financial assistance is available.
