**Dear Parents,**

**For generations, the YMCA has been known for its commitment to family life. YMCA programs and services have grown and adapted to the changing needs of families. Today, more and more parents are looking for quality child care and training they can depend on.**

A comprehensive children's program based on the fundamental factors of child development in physical, social and emotional growth is provided. You are welcome to come and visit your child at any time, unless there is a court order limiting access. Please keep in mind our instructional time though so as not to interrupt our routines. :o)**

**We continually serve as an advocate for each child's rights to a healthy and happy childhood.**

**Please read the handbook carefully. The information contained in this handbook will help us to run the program more smoothly and, hopefully, answer many of your questions. If you have additional questions, please call or come by to see us.**

**Sincerely,**

**Megan Patterson

## PARENTS

Parent's support and involvement are recognized as important aspects of each child's development and are essential for the successful operation of our child developmental center.

We want to work closely with parents to make sure we understand the children's needs and what we can do together to provide an enriching environment. We encourage all parents to be a part of the child care center activities. You can be involved by:

1. Helping with field trips
2. Volunteering in the classrooms
3. Sharing a talent with the children
4. Sharing DVDs and musical CDs for use in the classroom
5. Becoming a resource for classroom supplies (example: egg cartons, shoe boxes, cotton balls, dramatic play kits, dramatic clothes for "dress up", etc.
6. Making suggestions for enrichment ideas
7. Reinforcing our vehicle safety rules: Buckle up & observe good behavior while traveling.

Please notify the Center of any change in enrollment application information - especially any change in current telephone numbers or persons to call in an emergency. Write down any daily instructions you need to convey to the teacher.

## ENROLLMENT PROCEDURE

Enrollment is open to all children 3 and 4 year olds. The YMCA does not discriminate on the basis of race, color, national origin, sex, age, disability, and reprisal or retaliation for prior civil rights activity. All children must be potty-trained.

## ARRIVAL/DEPARTURE

**A) HOURS:** The Child Development Center hours are 7:00 AM to 6:00 PM for those who need extended care.

**B) SNOW DAYS & SEVERE WEATHER:** The Center will close only under extremely hazardous weather conditions. In the event of a closing, an announcement will be made on local TV and radio.

**C) CLOSING TIME:** The Center closes at 6:00 PM. We ask parents to cooperate in picking up their children before 6:00. If by some emergency a parent should be delayed, please call the Center. A late charge of \$ 5.00 is due at 6:05 pm (hallway clock) and an additional \$1.00 per minute thereafter. Late fees are payable immediately by the parent to the YMCA. Continuous tardiness in picking up a child on the part of the parent will necessitate our requesting that the child be withdrawn from the Center.

**D) AM ARRIVAL:** Please accompany your child into the Center and then deliver child directly to the staff person greeting children. Please contact the office if your child will be absent or will be arriving past class time. Staff will always directly supervise by the means of being physically near, readily accessible, aware and responsible for the ongoing activity of each child and able to intervene when needed. We have implemented a “tracking” system in which we use throughout the day and what time the kids go home. If you have any questions or would like to see it please see the preschool director. Tracking will also be used in the case of any field trips.

**E) SEPARATION TIPS:** Take your child to a staff member, explain that this teacher will care for him/her until you return, then say "good-bye" and leave. Please try to make this separation process as simple as possible without prolonging it. The longer it takes, the more upsetting and confusing it is for the child. Our responsibility once you are gone is to put the child's fears at ease, comfort him/her and gain their trust. If you are still concerned after leaving your child, please don't hesitate to call us.

**F) PM DEPARTURES:** When picking up your child, please remember to:

- 1) Sign your child out
- 2) Check your child's mailbox and cubby space for teacher notes and personal belongings.

**G) RELEASE PROCEDURES:** If another person other than the parents or authorized persons listed in your child's file is to pick up your child, you are required to notify us by WRITTEN notice. We will check IDs and ask for code words to verify that a child is not released to an unauthorized person. No child will be released to anyone whose name is not on file in the child's record. In addition, anyone picking up a child from our center must be 18 years or older.

If we cannot make contact with the parent, the emergency person and child's physician will be contacted. The child will be taken or transported by EMS to your designated Hospital's Emergency Room.

There will be a staff person at the Center at all times who has completed the FIRST AID and CPR CERTIFICATIONS.

Although a "Permission Regarding Administration of Medication" was completed at the time of enrollment, medications will be administered at the Center only if a Medication Release is completed by the parent or guardian. You will need to see either the child care accountant or the child care director to make your request.

## DISCIPLINE

Basic rules of safety and conduct are included in our policies. Parents will be informed by phone and through parent conferences if their child continually displays poor behavior. General discipline techniques involve positive reinforcement of good behavior and careful explanation of behavior that is unacceptable. Time-out methods are used to help the child regain control.

An individual may be provisionally employed until such time as the SLED and FBI fingerprint based background checks and the Central Registry check are completed.

## **PROCEDURES THAT WILL HELP ALL FLOW MORE SMOOTHLY**

In every case concerning a custody clause or dispute, written instructions **MUST BE GIVEN TO THE CHILD CARE ADMINISTRATIVE STAFF** for anyone other than those authorized to pick-up this child. If there is a court order/restraint in place, please provide us with a copy of the order.

A copy of this is posted in our pre-school room. Should you have any questions please contact the pre-school director. The YMCA is a secondary shelter. However, should we need to relocate we would evacuate the children to

**South Florence High School. Our first notice of contact would be through media. We would take our children's emergency contact sheets/information and tracking sheets.**

**The YMCA does not provide medical insurance relative to accidents or injuries sustained as a result of program-related activities. Parents are responsible for providing their own accident insurance.**

**Children participating in other YMCA sports activities will be released at the time designated by the parents. A clear understanding of release time and method must be communicated.**
